

Home is where *the whisky is.*

Montfort 151 is a truly unique field-to flask whisky. The name itself is the very lot in which the single-grain barley was grown, as well the coordinates to the exact field are included on every bottle. The Montfort series has literal grass root beginnings, each field that we farm has a distinctive district lot number, as well as site specific soil classification, and a proximity to the ocean and forested land. These collective characteristics grow barley in distinctive and unique ways resulting in unique flavor profiles from these micro regions on our farm. Montfort 151 is distinctively different than the Montfort DL 141, and Montfort 151 is a proud product of our distillery home.

Tasting Notes:

On the nose, Montfort DL 151 has distinct notes of vanilla fudge, dried fruits and hazelnut. The palate is honed and herbaceous with a luxurious assortment of dark chocolate cherries, leading to a warming spicy finish, with lingering oak and almond nougat.

Shelter Point Farm and Distillery

Established in 2011, Shelter Point Distillery is located on 380 acres in Oyster River, BC, about halfway up the eastern side of Vancouver Island on the west coast of Canada. The land encompasses 2,000 metres of spectacular oceanfront, a natural mosaic of streams, a salmon-bearing river, wetlands, forests and fields — all shared with native wildlife, from bald eagles and great blue herons to black tailed deer and black bears. Farmed for generations, Shelter Point remains one of the last seaside farms on the Island.
